On 19 September 2012 the restructuring plans of Österreichische Volksbanken Aktiengesellschaft was approved by the European Commission. The following changes are made to the Original Prospectus:

1.1. Summary of the Programme – Summary regarding the Issuer (page 25)

“Wolfgang Perdich will resign from his office effective with 30 September 2012.”

On page 25 of the Original Prospectus under the heading “1.3 Summary regarding the Issuer – Share Capital” the second paragraph is replaced by following wording:

“The shareholder structure and the restructuring measures (write-down of VBAG shares and participation capital by 70% and VBAG capital increase of EUR 484 million, subscribed by the Republic of Austria (EUR 250 million) and Volksbanks (EUR 234 million) and the merger of Investkredit Bank AG as transferring company and VBAG as accepting company), resolved in the annual shareholder meeting on 26 April 2012, will become effective upon registration in the companies register. The shareholder structure will be as follows: Volksbanken Holding eingetragene Genossenschaft (50.1%), the Republic of Austria (43.3%), DZ BANK AG (3.8%), ERGO group (Victoria Versicherung) (1.5%), Raiffeisen Zentralbank Österreich Aktiengesellschaft (0.9%), Volkskreditbank AG (0.1%) and Others (0.3%).”

1.3. Risk Factors – Risk factors relating to the Issuer (page 29)

On page 29 of the Original Prospectus under the heading “2.1. Risk factors relating to the Issuer” the risk factor beginning with “*There is a risk that the approvals necessary...*” is entirely deleted.

1.4. Description of the Issuer – Recent Developments (page 54)

On page 54 of the Original Prospectus under the heading “3.3.1 Restructuring” the last paragraph beginning with “*The restructuring measures outlined above are subject to approval...*” as well as the heading and the paragraph under the heading “3.3.2 Sale of shareholdings” are entirely deleted and replaced by following wording:

“3.3.2 Approval of the state aid for VBAG and the restructuring measures by the European Commission

On 19 September 2012 the comprehensive restructuring plan of VBAG was approved by the European Commission. The approval encompasses measures that were introduced in 2009 as well as the support measures as agreed with the Republic of Austria in late April 2012 (write-down of participation capital held by the Republic by 70 % plus a EUR 250 million recapitalization).

Under the newly-approved restructuring plan, the following measures have to be implemented by VBAG until 31 December 2017 (restructuring phase):

- VBAG's total assets will be gradually reduced to EUR 18.39 billion (EUR 30.49 billion as at 30 June 2012) and risk-weighted assets (RWA) are to be gradually reduced to EUR 10.08 billion (EUR 15.54 billion as at 30 June 2012).
- Core business will only include business areas that provide services to the regional Volksbanks (key focus: role as central institution of the association of Volksbanks and providing and distributing products and services to Volksbanks and their clients) Business areas that do not constitute core business are to be discontinued as stipulated in the restructuring plan.
- Disposal of holdings in Raiffeisen Zentralbank, Volksbank Leasing International, Volksbank Malta, Investkredit International Bank (Malta) and Volksbank Romania.
- Prohibition of dividend payments during the restructuring phase up to and including for the business year ending on 31 December 2017 (moratorium on dividend payments for shares, participation capital and participation capital certificates).
- No payments on performance-related equity instruments (such as hybrid financial instruments and non-voting equity securities (*Genussscheine*)) are allowed, unless contractually or legally required.

Supplementary Capital Notes issued by VBAG and Investkredit are not affected by the moratorium.

VBAG is also required to take all necessary measures to ensure that the Republic of Austria is fully relieved of its participation commitments until 31 December 2017 or immediately after that date.

On 18 September 2012, the Austrian Financial Market Authority (*Finanzmarktaufsichtsbehörde*, FMA) approved the new association of Volksbanks (*Kreditinstitute-Verbund*) pursuant to Section 30a of the Austrian Banking Act (*Bankwesengesetz*), which means that now all requirements for establishing the new association comprising the regional Volksbanks and VBAG as the central body are met.

The measures concluded at the end of April and approved by the Annual General Meeting on 26 April 2012 are due to be entered in the commercial register and therefore take legal effect at the end of September. Those measures are:

- (i) Write-down of VBAG shares and participation capital by 70 % and VBAG capital increase of EUR 484 million, subscribed by the Republic of Austria (EUR 250 million) and Volksbanks (EUR 234 million);
- (ii) Merger of Investkredit Bank AG with VBAG which is the acquiring company and sole legal successor.

All measures will be applied retroactively, with effect from 31 December 2011."

On page 69 of the Prospectus under the heading "3.11 Administrative, Management, and Supervisory Bodies" following wording is added beneath Wolfgang Perdich as a member of the Management Board:

"(until 30 September 2012)"
