Additional information

Český Krumlov

CME is organizing an optional overnight trip to visit Český Krumlov, a mediaeval city in the South West of the Czech Republic.

Český Krumlov, a UNESCO World Heritage Site, is a lively, cosmopolitan town with a unique atmosphere surrounded by unspoiled countryside. Dominated by a Castle stretching over the meandering Vltava River, Český Krumlov's narrow cobblestone streets wind along romantic nooks between patrician houses where you'll find attractive exhibits of world- renowned artists, music festivals and concerts, and theatre performances. The cosy inns, coffee shops, and ancient taverns entertain a diverse international crowd.

If you would like to extend your stay and join us for this excursion, please RSVP to Jana Schrutova at jana.schrutova@cme-net.com by September 14, 2009.

Spouses and travel companions

Please let us know if you will have a travel companion accompanying you to Prague. The city has many sights and activities to offer and we would be happy to help your companion make the most of their visit while you are attending our Investor Day. Please contact Jana Schrutova at jana.schrutova@cme-net.com to register your spouse or travel companion.
