

Change in shareholders of RPG Industries SE

01 May 2009

Amsterdam, 1 May 2009

New World Resources N.V. (“NWR”), Central Europe’s leading hard coal producer, announces that it has been informed by RPG Industries SE (“RPGI”) that American Metals and Coal International, Inc. (“AMCI”) and First Reserve Corporation (“First Reserve”) have entered into an agreement under which they will transfer their shares in RPGI (the “Transfer”). From the time of the Transfer (expected to occur within approximately 4 months from the date of this announcement), AMCI and First Reserve will no longer have any ownership interest in RPGI. Pursuant to the Transfer, RPG Partners Limited (“RPGP”) and certain affiliated persons will increase their shareholding in RPGI to 100%.

RPGI continues to hold approximately 63.8% of the A shares in NWR, all of which for Dutch shareholder reporting purposes are, and will continue to be, attributed to RPGP as the controlling shareholder of RPGI.
